

Your CPD Training Plan

This is your CPD Training Plan for the rest of the calendar year. Datalaw's system has created this bespoke Training Plan for you by using AI powered training technology.

Legal CPD Training

Library of over 800 CPD videos by expert speakers, on demand, making CPD as easy as click and play.

Legal Training Features

At Datalaw we offer a variety of legal training features such as our CPD Tracker & CPD Compliance AI Tool to empower solicitors to comply with the SRA Continuing Competence Scheme.

CPD Verified Badge

Complete your legal CPD training and earn your CPD Verified Badge.

This badge represents that the candidate has gained knowledge in specific topics relating to their chosen area of law through continuing professional development.

Easy SRA Self-Assessment

After taking a short questionnaire our Compliance AI Tool creates a bespoke training plan with recommended training based on your answers.

SRA Competency Statement

Once you have completed your training plan, print off your SRA competency statement with the click of a button.
